

Adebowale Rasheed

I will describe myself as a very intuitive and productive person who always seeks to learn in order to get better. I feel learning is a continuous aspect of life because the world is not stagnant there are new developments daily so you have to always update your knowledge. If given the opportunity I would like to prove my worth and show I am capable of working and learning at a fast paced environment.

EXPERIENCE

Codar Training Institute, Nigeria — *Mobile App Developer*

JANUARY 2023 - PRESENT.

Trained as a mobile app developer using the open-source cross platform dart compiler Flutter.

Lean-on Paints, Nigeria — *IT*

JANUARY 2020 - OCTOBER 2020

I was tasked with helping them get an online presence by creating a website using Wordpress Elementor and helping with the SEO, which includes adding the website to the Google and Bing Search Console and also helping with creating relevant backlinks.

National Youth Service Corps, Nigeria — *Personal Assistant*

JUNE 2021 - FEBRUARY 2022

I was posted to the Ministry of Agriculture in Abeokuta Ogun State, where I served as a personal assistant to the Director of Administration and Supplies, I helped in typing out and printing documents, responding to unofficial invitations, organizing files brought to the director and taking notes in his meetings.

SCL Express, Nigeria — *Sales Marketer*

MARCH 2019 - OCTOBER 2019

SCL is a courier company where I worked as a sales marketer, I helped in promoting awareness and getting more customers for the company by going out to distribute flyers creating advertisement videos and calling potential clients.

Seacret Direct, MB Canada — *Sales Agent*

JUNE 2016 - AUGUST 2017

Seacret is a multi-level marketing company that sells cosmetic and other personal care products made from Dead Sea minerals, mud, and nutrients. I worked as a sales/marketing agent, my job description include recruiting other agents as well as selling seacret products.

Ade-Sab, Nigeria — *Data Entry Clerk*

JULY 2015 - DECEMBER 2015

Ade-Sab is a construction company where I worked as a data entry clerk using Microsoft Excel to keep tabs of all required data.
